The first part of the paper discusses the importance of understanding the cultural context of the research. It highlights the need for researchers to be sensitive to the values and beliefs of the communities they are studying. This is particularly important in the field of education, where cultural differences can significantly impact learning outcomes. The author argues that a one-size-fits-all approach to education is not only ineffective but also disrespectful to the diverse cultures of our world.

In the second part, the author explores the challenges of conducting research in non-Western contexts. One major challenge is the lack of standardized methodologies. What works in one culture may not work in another, and researchers must be willing to adapt their methods accordingly. Another challenge is the potential for bias, either from the researcher or from the participants. The author emphasizes the importance of transparency and reflexivity in the research process.

The third part of the paper focuses on the role of the researcher in the research process. It discusses the ethical implications of research and the importance of building trust with the community. The author suggests that researchers should see themselves as collaborators rather than outsiders, working together with the community to address its needs and concerns.

Finally, the paper concludes by emphasizing the value of cross-cultural research. By understanding different cultures, we can gain insights into our own and improve our ability to work in a globalized world. The author calls for a more inclusive and respectful approach to research, one that recognizes the contributions of all cultures.

The first part of the paper discusses the importance of the research and the objectives of the study. It then proceeds to a literature review, followed by a description of the methodology used. The results of the study are presented in the next section, followed by a discussion of the findings and their implications. The paper concludes with a summary of the main points and a list of references.

The research was conducted in a laboratory setting, using a series of experiments to measure the effects of the treatment. The results show that the treatment had a significant effect on the outcome, with the treated group performing better than the control group. This finding is consistent with the hypothesis that the treatment would improve the outcome. The implications of this research are that the treatment could be used in a clinical setting to improve the outcome of patients. Further research is needed to confirm these findings and to explore the underlying mechanisms of the treatment.

The methodology used in this study was a randomized controlled trial, which is the gold standard for evaluating the effectiveness of a treatment. The study was conducted in a laboratory setting, which allowed for precise measurement of the outcome. The results of the study are presented in the next section, followed by a discussion of the findings and their implications. The paper concludes with a summary of the main points and a list of references.

Has DeVilbiss changed? This question is one that has met every student and teacher in our school at least once this year. Everyone is interested in the new extended sessions at DeVilbiss, and everyone naturally wants to know what life at our school is like under these strange conditions.

Are classes as stimulating? Can traditional activities continue? Will athletic records necessarily suffer? Does spirit become lax?

As a medium of information as well as a pictorial reference of the school year, the POT O' GOLD will attempt to show what life has been like at DeVilbiss in this year of firsts. We hope that we have captured within these pages what we have found to be true—that DeVilbiss changes but remains unchanged.

The staff of the 1959-60 Pot O'Gold would like you to meet Tommy—a typical high school freshman. You will see Tommy change throughout the following pages from a shy backward novice to an outgoing friendly personality. Studying, crowded halls, and bustling activity—all become part of his school life as he takes advantage of the educational and extra-curricular opportunities offered to DeVilbiss students.

Once again this familiar view of DeVilbiss appears as a remembrance for the students who now daily tread its walks. DeVilbiss High School has a history which reaches back to the fall of 1931. The campus with its many Norwegian maples, including the plant, the stadium, the playing and the practice fields covers an area of twenty-six acres.

Though not noticeable to the passer-by, the administrators, teachers, and students have had to make many adjustments so that this year could be as productive and memorable

as previous ones. In spite of numerous changes there has been little effect on the ever present school spirit. The student body and the faculty working together under unusual and many times difficult circumstances reveal the true strength which is obviously visible in the Georgian architecture of our school.

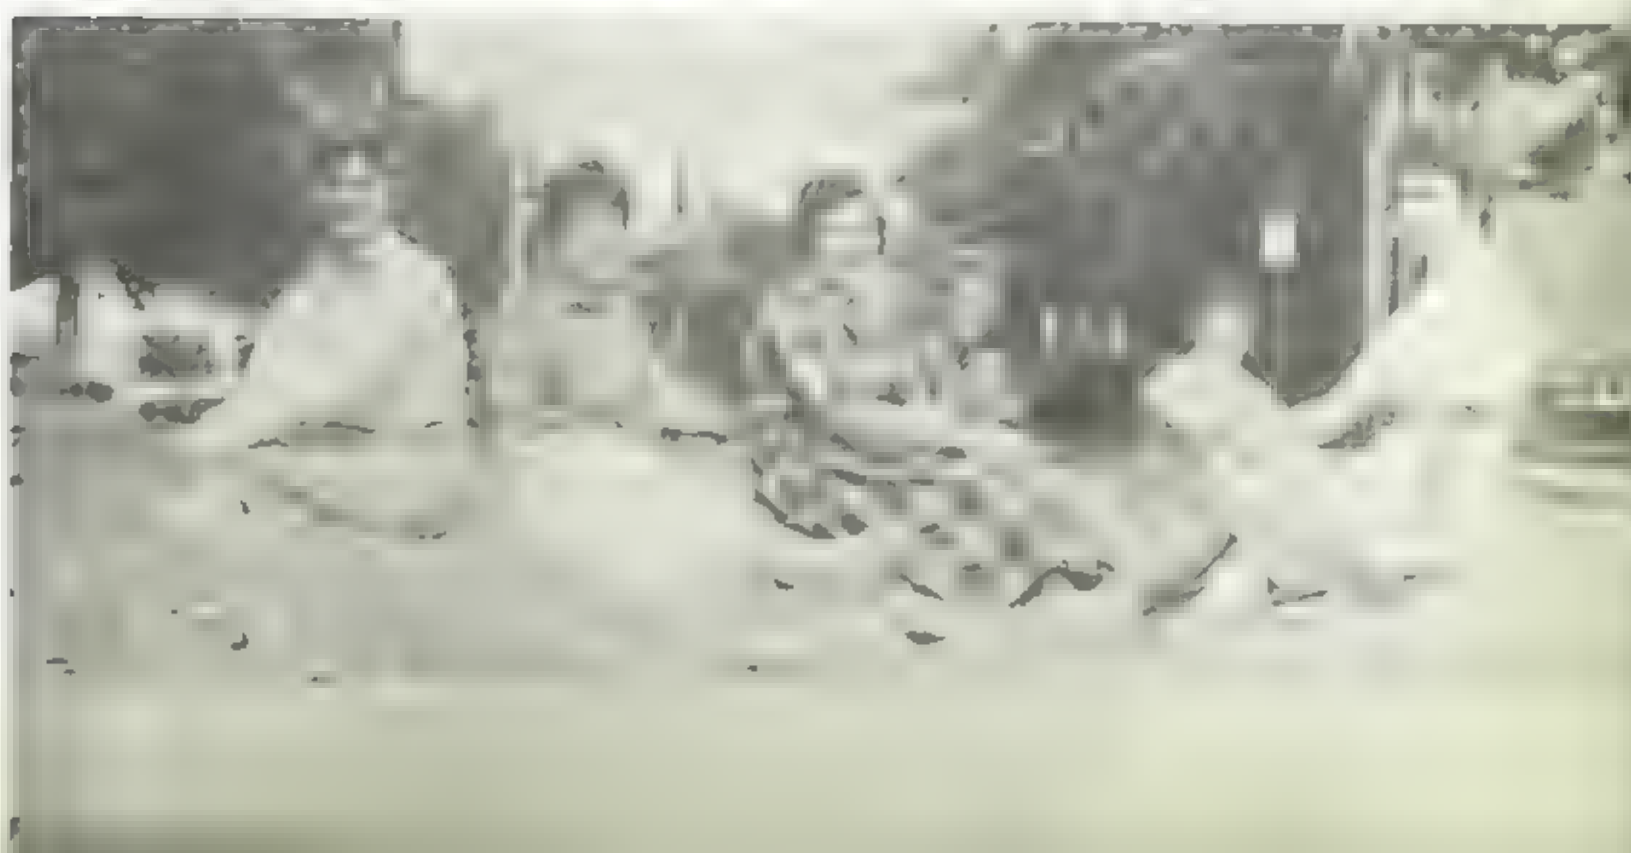

Thus, it can be said, that the picture above represents more than what meets the eye. This beautiful building contains an inner strong quality found in the seriousness of teaching and learning.

Noon on the parking lot ends the seniors' day as they leave for various afternoon activities.

CLASSES

In the following pages we find pictures of 2700 students. Herein lies the problem that confronts our school—the reason for the extended sessions at DeVos. Physical limitations prevented everyone from attending classes at the same time. Thus we find upperclassmen coming to school in the morning while the underclassmen must come at noon. To unify the classes and prevent the freshmen and sophomores from feeling like a separate part of the school presented a major task. Unity again suffered because the faculty, increased in number, was also assigned to come at staggered times of the day. It was only through the efforts of the faculty and the general spirit of the classes that we remain a coordinated school. That certain extra quality that has always made DeVos special has again determined that it still can be a leader and progress even when confronted by changes and deviations.

AT FIRST BEWILDERED . . .

The first year of high school is a time of great change and growth. Freshmen begin to belong to a new community, and they start to form lasting friendships. This year is also a time of discovery, as students learn about themselves and the world around them. The challenges of high school are many, but the rewards are also great. Freshmen are encouraged to embrace the new experiences and opportunities that high school offers.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

2. Next, it is important to gather relevant information and data. This can be done through research, consultation with experts, or by analyzing existing data sets.

3. Once the information is gathered, the next step is to analyze it. This involves identifying patterns, trends, and relationships that can help in understanding the problem.

4. After analysis, the next step is to develop a solution or plan. This involves identifying the most effective and efficient way to address the problem.

5. Finally, the solution is implemented and monitored. This involves putting the plan into action and tracking its progress to ensure it is effective and efficient.

STUDENT

A school without a newspaper, a school without a musical, a school without student government, a student without a yearbook—such a school would indeed be a lifeless, spiritless place. Yet this is the situation that DeVilbiss faced at the beginning of the year. The extended sessions enlarged the school day to nine hours in length. Former times that were used for rehearsals and staff work and meetings now are used for classes and study. School is closing at 5:00 P. M. leaving time for customary after school organization meetings. The two publications of the school were forced to work overtime and at home to collect news and pictures. Student Council necessarily met during class time. Our musical production, the Deviltries, was a big success despite these unfavorable odds. And so DeVilbiss solved the problems and retained the activities which all the students have come to know. These activities, a necessary part of school life even from a teacher's viewpoint to keep interest and to add incentive to studies, help to steady our changing DeVilbiss.

"DEVIL MAY CARE"

Under the direction of Janet Alsbaugh as general chairman, Roger Smith as student director, and Miss Elizabeth Papps as faculty adviser, Devilbiss students presented the 1960 production of Deviltries, "Devil May Care."

The tireless work of cast and committee members made this year's show a great hit. The support of the entire school body also contributed to its success. Talents, tears, toils, and triumphs—all these are a part of Deviltries.

"LET THERE BE SONG!"

DeVilbiss is busy promoting its choral groups. This year the A Cappella Choir was again active participating in numerous concerts and vocal programs. The choir members sang at a Lenten service at Trinity Episcopal Church, took part in the Spring Band and Choir Concert and participated in the Senior Class Entertainment service. In May DeVilbiss voices were

heard in our district from radio station WTDS.

The Freeman Girls Choir sang at the Bell Telephone Company Northwestern Ohio Banquet in February and gave a concert with the orchestra in April. These activities have helped to give DeVilbiss the reputation of being an outstanding choir.

We say thank you Mr. J. P. ... for his new work in DeVilbiss choral groups.

To promote better cultural and social relations between Spain and Ohio is the purpose of the Committee on Relations with Toledo, Spain. This committee, established in 1933, is saluted by the Pot O' Gold for its excellent work in foreign affairs.

In 1933 the Toledo, Spain, committee invited a delegation from Ohio to visit their country. In 1934 four Ohioans journeyed to Spain in answer to the invitation. The Spanish Civil War and World War II interrupted progress in the program. Then in 1948 new committees were organized and began to operate.

Under the auspices of the Toledo, Spain, Committee a collection of portfolios was sent to Spain. Portfolios of elementary and secondary school art were sent to the Spanish group with the assistance of Mr. Mary Fearn, supervisor of art in Toledo Public Schools. Through Robert W. Lawrence and the Toledo Chamber of Commerce Toledo art portfolios will soon be sent to our Spanish neighbors.

Future plans of the committees include an exhibition of Spanish art here in Ohio and a possible student-teacher exchange.

TRI-D

STUDENT COUNCIL HELPS ORGANIZATIONS

The success of our club system is in a large measure due to the supervision of three of the commissions.

The ORGANIZATIONS COMMISSION is devoted entirely to aiding clubs to become stronger organizations. Each year in September every club must apply for a temporary charter. In December the commission grants permanent charters to those clubs measuring up to DeVilbiss standards. The commission handles all club applica-

tions during club week and keeps a permanent record of the membership and activities of each club. Clubs with problems may receive constructive counsel from this group. In May on the basis of attendance, activities and achievements the commission presents an award to the best club in each of the categories. The commission uses the monthly reports turned in by all the clubs to determine the most deserving clubs.

JUNIOR SORELLES SPECIAL INTEREST CLUBS

Numbering many among the clubs at DeVilbiss are those in the category of SPECIAL INTEREST. These clubs are formed with the purpose of letting students meet with other students who share their interests and to develop these interests.

Members of **Future Nurses Club**, along their line of endeavor do volunteer work at Toledo Hospital. **Future Teachers of America** whose purpose is to interest high school students in

teaching as a career has an outside speaker at each meeting.

Formed to develop their members skill in horsemanship are the **Equestrienne** and **Cheveaux** riding clubs. They took as a service project took a group of orphans riding in a pony ring.

The **Les Amis French Club**, this year, put out a paper called L'Image written entirely in French. **Los Gauchos** Spanish Club gave a Spanish pinata party

Girls in **Sub-Debs** and **Les Femmes** explore the field of the fine arts. **Junior and Senior Sorelles** members spend one of their two meetings each month learning the fundamentals of bridge.

Sharps and Flats members give troop performances at orphanages and Rest Homes. **Dramatics Club** has as its

purpose to gain a better understanding of the art of acting. To further their aim they attended a conference on the drama at Bowling Green State University. The **Ezelles Art Club** gives its members a chance to develop their artistic ability.

Members of two clubs, **Amica** and **Thadavilleans**, are trying to develop their skill in the sport of bowling. **Stamp and Coin Club**, as its name implies, has as its interest in the collecting of stamps and coins.

SOCIAL-SERVICE CLUBS

The category of SOCIAL-SERVICE CLUB is another recently effected change at DeVilbiss. The former Social and Service Clubs, always similar in activities, were regrouped under this designation to fulfill their aim more completely.

Turnabouts, beatnik parties, teas and private dances filled the social calendars of these clubs. Members of **Pay-a-el-sa**, **Sisco**, and **Tawasi** treated their dates to an evening at the theater followed by a party. **Talisman** sponsored a sock hop after the Waite foot-

ball game. **Tonja** and **Tawasi** cooperated to give a joint beatnik party. **I-da-ka** members escorted their fathers to a basketball game and later held a tea honoring their mothers. **Vo-ee-thians** held both a private dance and a bowling-pizza party. Both **Sisco** and **Pay-a-el-sa** gave private Christmas dances. **Omena Aura** sponsored an open dance in February, and **I-da-ka** held its annual private in April. **Tri-D** members organized the inter-club song fest held early in April.

SOCIAL-SERVICE CLUBS

Service projects ranged from making banners and tags in support of our athletic teams to participating in community projects. The traditional wilderness of freshmen was observed this year by both Tawasi and I-da-ka. I-da-ka distributed maps of the school while Tawasi members prepared a list of the clubs and their requirements. Members of **Key Club** and **Sisco** collected for UNICEF on Halloween. Several other clubs participated in the November school day project. **Junior Socialites** served for the pancake

dinner which was sponsored by the Junior Club and held at the Children's Hospital. Key Club members assisted in the Kiwanis peanut sale for needy children, while **Hi-Y** members donated their time to selling Christmas trees for the V. M. C. A. Both Tonia and Donna were helpers for the Cancer Society. Club members also did several projects for the society. Twelve girls helped with the Thanksgiving dinner for the needy. **Talis-**

THALIANS

LITERARY CLUBS

The varied and informative programs of the DeVilbiss literary clubs have instilled a greater appreciation of literature and the related fields in many of the members.

Forum members have concentrated their study on social problems of our community. Speakers from CSI, the Toledo Police Department, and the Domestic Relations Court presented the aspects of their work with juvenile delinquency, narcotics, and divorce. In addition, the members traveled to Ann Arbor for the annual production of Handel's "Messiah".

Pericleans devoted their meetings to the study of the cultures of foreign

nations. A speaker or a program of slides was presented at one of the bi-monthly meetings; at the following meeting a discussion of the literature and art of the country was conducted. Attendance at local events, such as the Erroll Garner concert and the Ballet Russe de Monte Carlo, rounded out their schedule.

Thalians this year studied literature in general. At each meeting members reported on one type, such as the novel, drama, poetry, and the short story. The club visited the Glass Exhibit and the Choral Festival held at the Toledo Museum of Art.

PHILALETHEANS LITERARY CLUBS

As their project **Delphians** undertook the thorough examination of Communism. Their program included viewing a propaganda film and attending the Meeting House Series on "Inside Red China". Members of the club have also corresponded with Fidel Castro concerning Communism in Cuba.

Zetaletheans centered their interest upon American literature. Members explored many aspects of the literary pattern and English literature with that of America for certain periods of history. The club as a whole attended Carl Sandburg's program at the Paramount.

Philaletheans conducted a survey

on religions of the world as their continuing program. Members delivered reports or showed slides on the various religions. Other activities included the presentation of a play by several of the members for the club and attendance at the Ballet Russe de Monte Carlo.

Debutantes members have also gained knowledge of different religions through club projects. The club visited the Museum of Art and attended a Catholic mass. After a long discussion of personal and these experiences. After the trip to the Museum, they had a poetry reading session and a poem competition. A review

ATHLETICS

DeVilbiss has long been a name in the athletic world. This year was no exception in its readjustment. Only part of the teams would be available. They would not be as strong as in the past and the new teams were not as well known. The administration had decided and reorganized the school. DeVilbiss had what was a complete athletic program amid the confused order of extended sessions.

The program proved to be more than complete; it helped to bind the school together when it most needed it. At the end of the year when harmony was most lacking, DeVilbiss was winning. Students from all classes and every time of day together in the stadium and helped DeVilbiss to win. Faculty members and the strength to support the school. The one fact was that we were not a morning or an afternoon team but a DeVilbiss team—as a solid team.

KITTENS ROAR LIKE TIGERS!

The football team, known as the Tigers, has been a source of pride for the school for many years. This year, the team is expected to be even stronger than in previous years. The coach, Mr. [Name], has been working hard to prepare the team for the upcoming season. The players are also working hard to improve their skills and teamwork. The team is expected to have a successful season and bring home many trophies.

Any student who is interested in playing football should contact the coach. The team is open to all students who are willing to work hard and follow the rules. The coach is looking for students who are committed to the team and want to represent the school with pride.

THE THANKSGIVING DAY GAME . . .

one of the most exciting of the season.

Every year a seedling of the Thanksgiving Day game is sown in the hearts of the fans of the two teams. It is the day when the two teams meet on the field and the fans of both teams are sure to be there. The Thanksgiving Day game is the most exciting of the season. DEVILBISS SLUGGERS

The baseball team had a good year last season finishing in second place in city league competition with an eight win—four loss record. The usual starting nine was Dan Simrell, catcher; Owen Day, first base; Bob Clark, second base; Dave Cox, third base; Terry Harmon, short stop; Russ Maneval, left field; Bill Terrill, center field; Terry Weber, right field; and John Abolt, Bob Damrauer, or John McNutt as pitcher.

SPARES AND STRIKES

[illegible]

Tiger has been wrestling
 and year for wrestling at La
 Jolla. Our team managed to
 be Champion as city cham-
 pions with a 5-1 city league
 record and a 9-1 total mark.
 Our wrestling squad brought
 the team to a very favorable
 position by winning in several
 events in the regional tourna-
 ment held February 19 and 20.

Grunts and groans are heard as Tiger grapples with his opponent.

ARE YOU SATISFIED?

Grownups know that personal grooming is
important if you want to "get ahead".
Teenagers sometimes forget to look at
themselves objectively.

So that boys and girls could see themselves
as others see them, a full-length mirror was
installed in the main corridor of a high school
in Buffalo, N. Y.

Boys checked shirttails and trouser lengths
even started wearing coats and ties. Girls
stopped to tuck in blouses or rearrange their
hair. Renewed pride came to
this school - all because of a mirror!

A mirror is a "must" at school . . . at
home . . . anywhere. Always check
your appearance before going out.
It's a good habit to form and
others will notice.

L·O·F PARALLEL-O-PLATE GLASS

Twin-Ground for the Truest Reflection

LIBBEY·OWENS·FORD
a Great Name in Glass

When you buy a mirror, be sure it's made of
L·O·F Parallel-O-Plate® glass, twin-ground for
truer reflections and more freedom from
distortion. You'll find a wide selection at your
furniture, glass or department store.

LANDMARKS OF PROGRESS...

in TOLEDO—Glass Center of the World

These four buildings reflect the technological achievements of Owens-Illinois Glass Company, whose physical growth has left these indelible impressions on the industrial face of Toledo.

Duraglas Center
14th & Adams

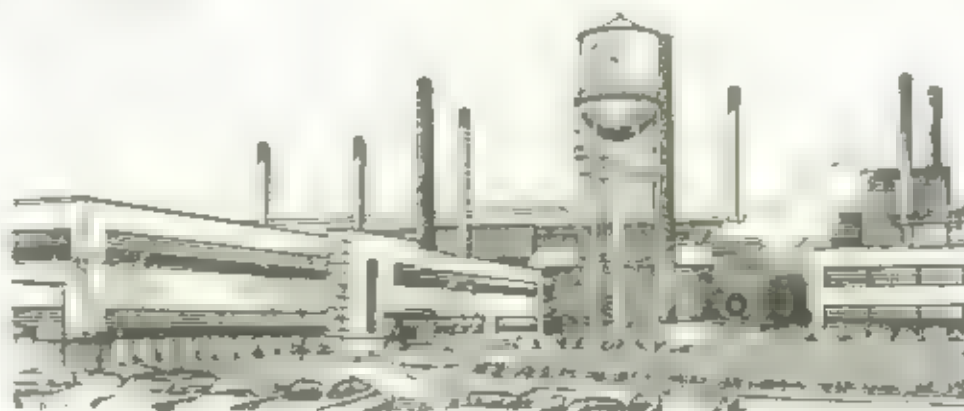

Customer service facilities, staffed by nearly 500, offer Owens-Illinois customers the advantages of specialized package design, product and packaging research, and marketing services.

Owens-Illinois Building
Madison & St. Clair

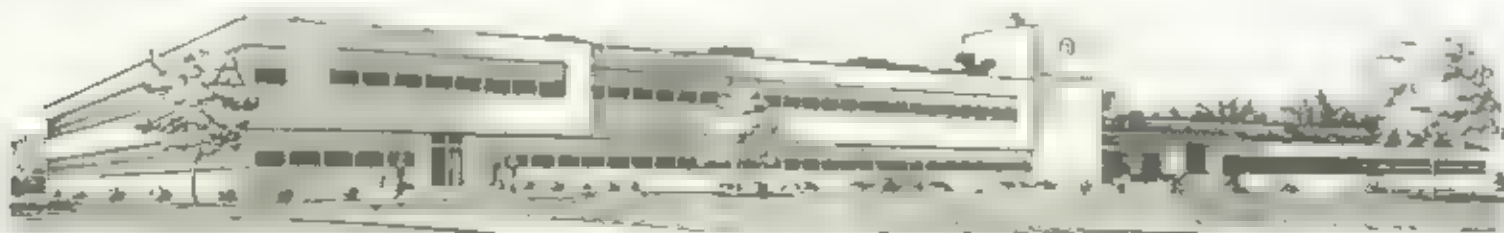

More than 1,000 Toledo-area residents work in the O-I General offices—directing activities of 27,000, coast to coast.

Libbey Glass Division Plant
Ash & Champlain

Home of fine Libbey table glassware, this manufacturing plant employs more than 1,200 and is one of 31 Owens-Illinois plants across the nation.

Owens-Illinois Technical Center
1700 North Westwood

The world's largest and most complete glass research facility, housing 500 scientists, engineers and technicians.

Good luck in new school year
 with it so if I didn't know
 you'd be there

To a real sweet girl
 who I have enjoyed having
 in my room. Hope to see
 you next year. "Good luck"
